About This Game

"Story about..."

DEADWAR is a story about cruelty of war. Game is focused on internal experience of main character. In DEADWAR you play as Steve. Steve is a commander of a special unit. Military service is a tradition in his family, his father was pilot, who died during service. Steve decided to continue "family tradition". Story of game takes place when a new president coming to power. Guerrilla war begins, but with whom...?

You know wars as historical events on a timeline, but have you ever thought about what it really is?
