Best regards, i lost my serial key of battlefield 2 bad company. i lost my serial key of battlefield 2 bad company. Q: How do I install the games in physical hard drive? A: You should ask a tutorial to guide you step by step to install the games on the physical hard drive, such as Q: what are good software to play BFBC2? A: You can play it with Webkinz World, with some issues. The game is not work all fine. You can use Orbx on your computer. It is a good alternative if you don't have a good computer. Q: I can't play enemy forces from bf2. I have the cd key and windows 7. Can anyone help me? A: Most of the time, when your serial key has been removed from your registration center, you will not be able to play a game from it on any computer with a different OS. All you need to do is contact the EA customer service. They may be able to assist you with a new serial key. Q: I want to install the windows 64 bit on my computer. A: You need to read the instruction of the game that was given to you when you purchased the game. They may not allow you to play a game with a different OS. Check if it's alright for you. Q: How do I install the game when I can't find a Windows XP disc? A: There is always a chance that you can connect to the internet to download it. If you can't find a disc, you can ask someone who has the disc. Q: I have a domain and I've lost the link for the online registration center that has the key for the game Battlefield 2. How do I get it? Q: I lost my activation key for battlefield 2 bad company, how do I get it? A: You can contact EA customer service. They can assist you with a 82157476af
